

UI Developer

Job Description

OneSky is helping to pave the way for the safe operation of uncrewed aerial vehicles. Our team supports and benefits customers by implementing software products that solve our customer's need for safe, dependable UAV flights. As part of the UI development team, you will be required to create a robust and functional user interface for our suite of applications used in the uncrewed aerial vehicle space. You will work with not only the other developers within our organization, but with product owners and business leaders, to ensure that the design and functionality meets our customer's expectations.

Major Duties & Responsibilities

- Design, develop, and maintain user interfaces built within the Angular framework.
- Collaborate with other members of the team to review and analyze customer requirements and translate them to functional UIs
- Write well-designed, efficient and scalable code
- Troubleshoot and debug issues
- Participate in code reviews to maintain code quality standards
- Staying up to date with the latest technologies and trends in UI development

Skills & Qualifications

- Experience in the following platforms: Angular (14+) / RxJS / Javascript (ES6 or higher) / JS Unit Testing
- Strong proficiency in Typescript / CSS (SASS/SCSS) / HTML5
- Understanding of i18n (Internationalization), a11y (Accessibility), Cross-Browser development
- Understanding of Git/Github
- Solid understanding of component design for reuse/encapsulation/reactivity
- Exposure to Cesium / NodeJS / Docker / Webpack / SSE a plus

About OneSky

OneSky is a global UAS Traffic Management (UTM) company developing airspace assessment, operations, and traffic management solutions for the aviation industry. Our goal is to harmonize the sky - ensuring safe, efficient, and scalable access to all airspace users. We take a robust and long-term approach to UTM, envisioning the challenges ahead as

traffic management is unified for all operators. By working with all stakeholders - drone operators, drone manufacturers, and airspace authorities - we understand the unique challenges of this ecosystem and serve the critical needs of the community. OneSky is an ISO 27001 and GDPR compliant organization, delivering cyber secure and data protected solutions.

Nondiscrimination Clause: OneSky Systems Inc. (OneSky) is an equal opportunity/affirmative action employer. All qualified applicants will receive consideration for employment without regard to sex, gender identity, sexual orientation, race, color, religion, national origin, disability, protected Veteran status, age, or any other characteristic protected by law.

Drug-free Workplace Clause: OneSky Systems Inc. (OneSky) agrees to (i) provide a drug-free workplace for all employees; (ii) post in conspicuous places, available to employees and applicants for employment, a statement notifying employees that the unlawful manufacture, sale, distribution, dispensation, possession, or use of controlled substance or marijuana is prohibited in OneSky's workplace. Violations of this policy can/will result in disciplinary action and/or termination of employment.
